

We are the biggest Furniture exporters in our region

Founded in Kayseri, the heart of Turkey's furniture industry, Meta Mobil has become one of the most reliable and fast-growing furniture manufacturers in the region. With years of experience and a strong production infrastructure, we continue to combine modern design, quality materials, and innovative technology in every product we deliver.

Today, we proudly export to more than 20 countries worldwide, reaching a wide customer base across Europe, the Middle East, and beyond. Our portfolio includes over 9000 standard products and nearly 100 custom-made project solutions, tailored to meet the needs of both wholesale and contract buyers.

At Meta Mobil, we continue to grow as a trusted partner in both panel furniture and soft furniture groups, always focusing on customer satisfaction, sustainability, and global competitiveness.

Driven by innovation and backed by the craftsmanship of Kayseri's long-standing furniture tradition, we move forward with a clear vision: to bring Turkish quality and design to homes and businesses around the world.
