

We are the biggest Furniture exporters in our region

Founded in Kayseri, the heart of Turkey's furniture industry, Meta Mobil has become one of the most reliable and fast-growing furniture manufacturers in the region. With years of experience and a strong production infrastructure, we continue to combine modern design, quality materials, and innovative technology in every product we deliver.

Today, we proudly export to more than 20 countries worldwide, reaching a wide customer base across Europe, the Middle East, and beyond. Our portfolio includes over 9000 standard products and nearly 100 custom-made project solutions, tailored to meet the needs of both wholesale and contract buyers.

At Meta Mobil, we continue to grow as a trusted partner in both panel furniture and soft furniture groups, always focusing on customer satisfaction, sustainability, and global competitiveness.

Driven by innovation and backed by the craftsmanship of Kayseri's long-standing furniture tradition, we move forward with a clear vision: to bring Turkish quality and design to homes and businesses around the world.

PRODUCT DESCRIPTION / METARIALS

The special design provides ideal comfort both in summer and winter months. It offers reversible use for both summer and winter seasons. The Warm fabric used on the other side provides a warm sensation with its wool content. With 5-Zone Pocket Spring technology, it minimizes body pressure and reduces unconscious turning movements during sleep, providing a comfortable sleep experience. The pocket springs in the center perfectly adapt to body contours, maintaining the natural curvature of the spine in different sleeping positions.

PRODUCT DESCRIPTION / METARIALS

Thanks to the Natural Wool knitted fabric in the mattress, bacteria and moisture formation are prevented. Thus, the mattress provides a hygienic sleeping environment. With Bonell Spring technology, the mattress ensures high durability, maintaining its shape for years. The mattress's flexible structure reduces excess pressure, allowing for better breathability.
